The True Inner Circle

As of today the Brothers of Iota Omega have been accepted into the increasing number of Inner Circle Chapters! After sending a 99 page application, we were accepted and are now on the path to becoming an inner circle chapter. Our 1st evolution into the Inner Circle will occur in March and we will then officially be an Inner Circle chapter. This is an amazing time for Iota Omega and is currently one of the biggest achievements a chapter can acquire. There are currently only 10% (roughly 25) of Lambda Chi chapters in existence that achieves this. As active brothers we thank our alumni who have put this Zeta on the right track to prosperity, those who have helped us on our journey, and those that continue to help us grow (An explanation of Inner Circle can be found on our website).

IOTA-OMEGA DOIN' WORK!!

We (and especially the High Sigma) are very proud to announce that Iota-Omega received the highest GPA on the row with an average GPA of 2.82. Shout out to the brothers who got s 3.5 or above:

- Peter Broussard
- Will Gardiner
- Brody LeBlanc
- Dominick Rancatore
- Michael Rivera

A sincere thank you from Iota Omega goes out to all of the alumni brothers who donated their time, talent, and treasures to our Zeta, helping it grow through their sacrifice:

- John Glass: donating a TV that brother Ladd is currently enjoying.

Want your name here? All you have to do is give back to the active chapter anything that would benefit us. Doesn't have to be fancy but we would love anything useful or entertaining for our chapter and our brothers. You'd feel better about yourself and you could impress your alumni brothers with your generosity. What could be better?

Alumni News and Goings-On

Want your brothers to know what's going on in your life? Got married? Received a promotion or started your own business? Had children? Maybe a son became a Lambda Chi? Well they won't know unless you share! Email the High Rho about your or another brother's success. This is your newsletter and just like Burger King, you can have it your way. Share it with me and I'll share it with your alumni brothers. Please and thank you!

If there are any alumni you know of who haven't received the newsletter, please forward it to them and email me their name and email address as soon as possible so we can fix that for the next newsletter.
